**CONSENT ORDER AUTHORIZING  
DEPOSITION OF JACQUIE SEBASTIAO**

The parties seek to take the deposition of an out-of-state witness, Jacquie Sebastiao, who is a forensic interviewer at the Anna Crawford Children's Center, a children's advocacy center in Cherokee County, Georgia. Pursuant to Georgia law, information and records gathered by a forensic interviewer in Georgia as it relates to allegations of child abuse are declared to be confidential. *See* O.C.G.A. § 49-5-40. Those records deemed confidential may be released to the parties once a court finds that access to such records may be necessary for determination of an issue before the court after an in-camera inspection. *See* O.C.G.A. § 49-5-41(a)(2).

In this case, however, the parties have obtained the forensic records pursuant to South Carolina law, directly from South Carolina law enforcement. All documents produced and depositions taken in the course of discovery in this case are subject the Confidentiality Order

filed July 25, 2012. As such, the parties agree, and the Court finds, that the subject forensic records may be necessary for determination of an issue before this Court, and as such the discovery deposition of Ms. Sebastiao may proceed and the parties may examine Ms. Sebastiao in said discovery deposition regarding the subject forensic records and the subject forensic interview. A copy of this Consent Order shall be served along with the subject subpoena upon the deponent.
